

S. PADMANABHAN

Junior AI-Engineer

Kollam /Kerala | 6238340770 | bharathpadmanabhan2@gmail.com | LinkedIn <https://www.linkedin.com/in/s-padmanabhan-baa6242b3> | GitHub <https://github.com/Bharath152>

PROFESSIONAL SUMMARY

Motivated and curious AI enthusiast with a passion for computer vision and deep learning. Eager to learn, experiment, and build practical AI solutions that make an impact. Always exploring new technologies and approaches to solve challenging problems efficiently.

TECHNICAL SKILLS

Skills: Python, Machine Learning, Deep Learning, Computer Vision, NLP, SQL

Frameworks & Tools: TensorFlow, PyTorch, Keras, NumPy, Pandas, FastAPI, Git, GitHub, AWS

PROFESSIONAL EXPERIENCE

AI-Data Analyst

Way.com, Trivandrum, Kerala

February 2025 – Present

Hands-on experience in end-to-end data preparation and model support for AI projects. Responsible for data collection and high-quality data annotation for computer vision and Deep learning tasks. Actively involved in supporting the team during model training, validation, and performance evaluation. Collaborate closely with engineers to prepare datasets and assist in building and deploying AI models for production and demo environments.

PROJECTS

YOLO Crowded Counting Detection

Developed an AI-powered Crowd Counting application using YOLO (Ultralytics) and Streamlit to detect and count people in images and videos. The system allows users to upload images or videos through an interactive web interface and displays real-time person detection with bounding boxes and accurate crowd counts.

Brain Tumor classification

Developed a deep learning-based model to classify brain MRI images into four categories — Meningioma, Pituitary, Glioma, and No Tumor. The project aimed to assist in early tumor detection and diagnosis using automated image classification. Collected and pre-processed MRI image datasets, ensuring balanced class distribution for effective learning. Applied Convolutional Neural Networks (CNNs) for feature extraction and VGG-16 architectures for improved image classification model.

EDUCATION

PG DIPLOMA IN DATA SCIENCE & AI

Edure Learning Pvt Ltd, Thiruvananthapuram

2023-2024

B.com Commerce with Computer Application

IHRD College of Applied Science Kundara, Kollam

University of Kerala

2020-2023
